

"rellify-certified" writers efficiently produce "high-quality content" based on your exclusive briefs — ready to go!

A low relevance score results in low visibility

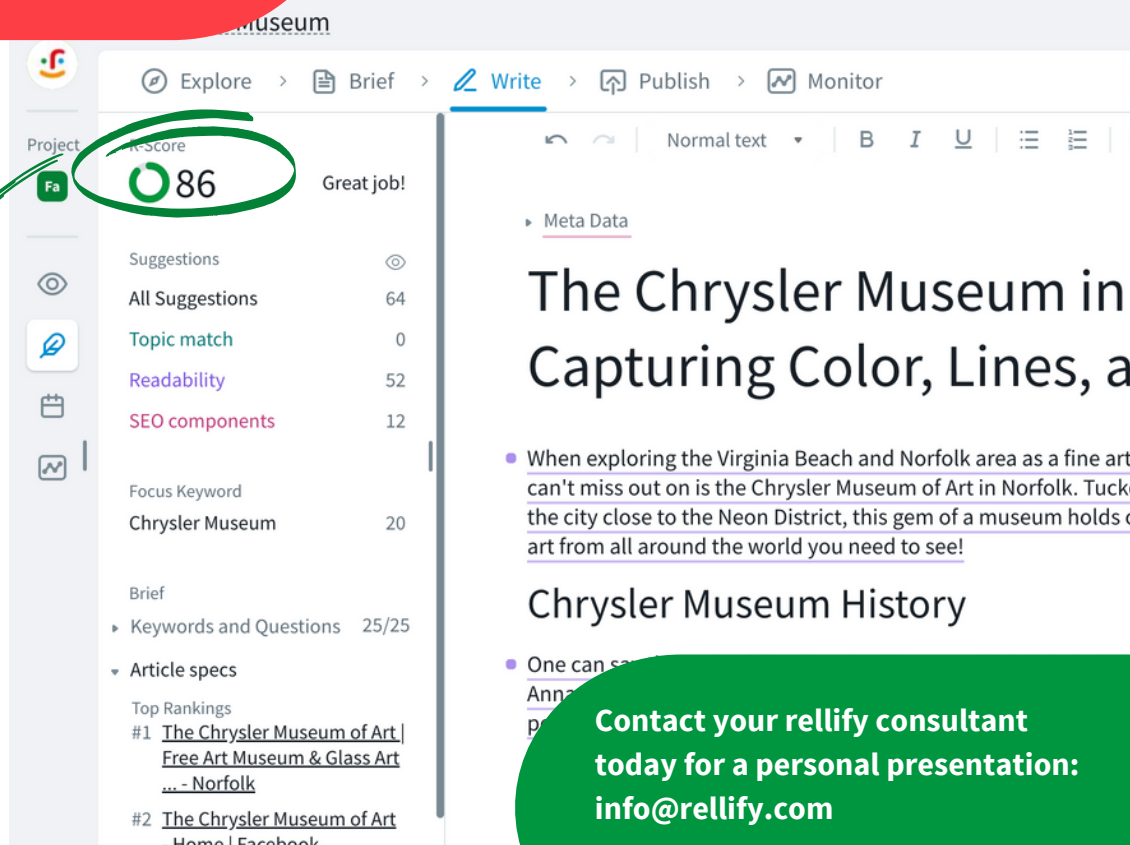

With the rellify AI you optimize your text in the areas of topic relevance, readability and SEO -

- SEO components**
- Title - H1**  
Add an H1 headline to your text.
- Links**  
There should always be more references to internal than external pages.
- Meta Data - URL**  
Please add the URL where the article will be published.
- Meta Data - Title**  
Use your article title (if it has max. 70 characters incl. spaces) or choose a new title for your search result display.
- Meta Data - Description**  
Write a short summary (max. 156 characters) of the article and integrate a call-to-action at the end.

and get an excellent result!
